Brain Blast!

Greene County Council on Aging presents a fun afternoon for Greene County adults (50 and better) to enjoy a bit of food and drink, some socializing with great people, and a light-hearted but educational brain workout with the theme of:

Mystery

Wednesday, July 8, 2:00pm to 4:00pm

The welcome and overview begins at 2pm. We'll 'exercise' our brain and include some movement breaks to get the blood flowing, especially to your brain.

We are fascinated by mysteries of all kinds. We read books and watch TV shows about mysteries. There are mysteries of history, science and folklore. You may not remember the details but you've heard of many: the lost colony of Roanoke, the disappearance of DB Cooper, the Tunguska event and more.

Join us as we explore the mysteries around us, while enjoying a lively social gathering on a hot summer day.
