## Happy New Year!

We often look at the New Year as a fresh start. Placing an optimistic outlook on life and making a list of resolutions while setting plans in place to hopefully make them happen. By the time the end of January rolls around our list is either reduced or only a memory. Studies show that while over 50 percent of people make resolutions only around 6 percent keep them. What happens is we get discouraged because we often try to keep these resolutions alone without the support of others.

So, are you looking to meet some new friends going into 2026? Those who will stand by you, lift you up and encourage you on new endeavors. Your Jamestown Senior Center invites you to join us this New Year and discover new friends, a set of new activities, monthly luncheons and special events like our February Spaghetti Luncheon. Our doors are open to new attendees or if it has been a while since you have stopped in. Give yourself a new beginning in 2026 by making new and supportive friends and calling the Jamestown Senior Center your fun place to be.
