

Ways To Help

The Greene County Council on Aging is grateful to the community for supporting our mission. Much of our funding comes from the levy passed by Greene County voters, but we are also grateful for the donations you provide us. There are many ways to donate, including supporting us when you shop with no extra cost: a percentage of your purchase is donated to us.

Kroger Community Awards

Raise money for us when you shop for groceries when you register and designate Greene County Council on Aging as your preferred charity.

You must have a Rewards card -- you can get this at the Customer Service desk.

You must have a digital account on [Kroger.com](https://www.kroger.com)

Go to the Community Rewards section and select the organization you want to support in your digital account. You can search for Greene County Council on Aging or use our number MD036

Now, every time you swipe your Rewards card at Kroger, some money will be given to your Council to advance our mission to Greene County seniors and their caregivers.

Goodshop

Support us with every purchase at over 7000 merchants when you register & designate Greene County Council on Aging as your preferred charity.

Go to goodshop.com and sign up.

Click Choose a Cause and in the Search box enter Greene County Council on Aging.

Click our name when it appears and click Adopt This Cause

Now whenever you want to do a little online shopping, go to goodshop.com and locate the store you want to see the donation percentage and coupon codes.

Every time you shop through goodshop, some money will come to your Council.

Thank you

Note: Amazon Smile is no longer available for donations. Thank you to those who participated in past years.
