Fall Session

When we drum and dance we are having FUN! The rhythmical patterns of drumming stimulate brain wave activity which in turn improves our mental status.

Drumming is also a great physical workout, and helps with core strength and balance.

Our instructor is Drums Alive Master Trainer and Music Therapist-BC Dorie Phillips.

Space is limited and registration is required. To register or for more information, call Jeff Schairbaum at 937-376-5486 ext 112, or email jeff.s@gcco.org.
