OPEN HOUSE & GIFT SHOPPE

Visit our wonderfully decorated offices to meet some Council team members. Our theme focuses on natural elements of our beautiful world. Winter's beauty may not shout like a flowering spring or colorful autumn, but it can be found in the sculpture of bare tree branches, bright red cardinals finding berries and seeds, the darker coats of deer in our yards, the silence of falling snow.

Scattered about the office and conference room, there will be delightful hand-crafted gifts and delicious home-made treats to purchase as gifts for others or for yourself.

Light refreshments available.

Pick up your 2026 GCCOA calendar! No admission, no reservations needed.

Note: This event replaces the Holiday Gift Soirée held in previous years.
