Altered Paintbrush

We can add new life and a bit of Spring to most anything, and that's exactly what we are going to do with some paintbrushes.

We will provide the paintbrush and an interesting collection of embellishment possibilities, and you provide the creativity!

In Full Bloom

With a little bit of patient instruction and encouragement, we will create one-of-a-kind blooming Spring branches to display or gift. Canvas, brushes, paint and aprons to be provided and we are all encouraged to not wear our Sunday best ... just in case!
